INTERNATIONAL TRAVEL WRITING CONTEST 2014

Education Abroad is sponsoring its annual Undergraduate Travel Writing Contest! There are two categories from which to choose: **Travel Essay or Short Fiction**. Any undergraduate can submit a short story or essay--your entry should be inspired by an international experience that has helped you gain some insight about another country or culture, about your own country or culture, or about international travel in general. Ideal submissions will expose something specific and resonant about the country you visited, placing it within the context of your experience as a student abroad.

All eligible submissions will be judged by a faculty/staff panel. Winners will be awarded prizes and will be invited to read their entries at the Global Temple Conference. Winning pieces will also be posted on the Education Abroad website.
