### EXTERNAL PROGRAM OPTIONS
You can participate in approved programs organized by study abroad organizations or other U.S. universities, or you can apply directly to an accredited institution overseas. To participate in an external program/direct enroll, you must complete [Temple’s External Program Approval Process](#). Visit our website for details.

External programs that offer **lower level** business courses are widely available.

*EQUIS accredited institutions are not automatically approved for Fox students and must be individually reviewed for approval on a case-by-case basis.

### I don’t plan to take any major courses while abroad. Instead, I plan to fulfill other academic requirements.

Visit Temple’s Education Abroad website for information about all of Temple’s programs abroad.

External programs are available worldwide. Please refer to Temple’s approved list of external study abroad programs on our website for further details.

### I would like to fulfill GenEd requirements while abroad.

Students who successfully complete (with a C- or better) credit-bearing coursework worth at least three semester hours in a Temple summer or semester study abroad program with a minimum stay abroad of 28-days will satisfy the World Society (GG) requirement.

In addition, Temple Rome and Temple Japan offer several GenEd courses each semester and in the summer.

Students who successfully complete (with a C- or better) credit-bearing coursework worth at least three semester hours in an approved external summer or semester study abroad program with a minimum stay abroad of 28-days will satisfy the World Society (GG) requirement.

Some appropriate external program courses may fulfill GenEd requirements. As part of Temple’s External Study Abroad Approval process, GenEds, like all external courses, must be evaluated and pre-approved. Per university policy, Intellectual Heritage courses cannot be transferred back to Temple and therefore cannot be taken abroad on external programs.
