<td>Temple administers several programs around the world, including our sites in Rome, Japan, and Spain; faculty-led summer programs; and Exchange Programs in Europe and Asia. Visit our website for details, deadlines and to apply.</td>
<td>You can participate in approved programs organized by study abroad organizations or other U.S. universities, or you can apply directly to an accredited institution overseas. The Education Abroad website and resource library have information on our approved programs, and our advisors can work with you to determine which program might provide the best fit. To participate in an external program/direct enroll, you must complete Temple’s External Program Approval Process. Visit our website for details.</td>

### I plan to take at least some courses related to health or nursing while abroad.

### External Programs / Direct Enroll

Approved external programs that offer health science and related courses during the summer are available in the following English speaking countries: Australia, Ireland, New Zealand, South Africa, and the United Kingdom. Students with proficiency in languages other than English may have additional location options.

To search for programs, visit the websites of each program provider listed below and filter by your discipline on their program search page.

### Recommended External Programs

- Arcadia University
- Boston University
- CIEE
- IES Abroad
- IFSA
- The Education Abroad Network (TEAN)
- USAC

IFSA-Butler offers a summer program in Northern Ireland specifically designed for nursing majors.

Please refer to Temple’s approved list of external study abroad programs on our website for further details.

### I don’t plan to take any major courses while abroad. Instead, I plan to fulfill other academic requirements.

Visit Temple’s Education Abroad website for information about all of Temple’s summer programs abroad.

External programs are available worldwide. Please refer to Temple’s approved list of external study abroad programs on our website for further details.

For a listing of external study abroad programs offering health-related courses and service learning, please see our program guide for public health majors.
**I would like to fulfill GenEd requirements while abroad.**

Students who successfully complete (with a C- or better) credit-bearing coursework worth at least three semester hours in a Temple summer or semester study abroad program with a minimum stay abroad of 28-days will satisfy the World Society (GG) requirement.

In addition, some summer faculty-led programs may offer GenEd courses, and Temple Rome and Temple Japan offer several GenEd courses each semester and in the summer.

Students who successfully complete (with a C- or better) credit-bearing coursework worth at least three semester hours in an approved external summer or semester study abroad program with a minimum stay abroad of 28-days will satisfy the World Society (GG) requirement.

Some appropriate external program courses may fulfill GenEd requirements. GenEd requirements which are most commonly found abroad include Arts, Human Behavior, and Race and Diversity. As part of Temple’s External Study Abroad Approval process, GenEds, like all external courses, must be evaluated and pre-approved.
