I plan to take at least some major courses while abroad.

**Temple University Rome**
Temple Rome offers STHM coursework in the spring semesters. Credit-bearing internships are also available in the spring and fall semesters.

In the summer, Temple Rome typically offers two business courses, which vary from year to year. Please consult the Education Abroad website for upcoming course offerings. Credit-bearing internships available.

**Temple University, Japan Campus**
Temple Japan offers a wide range of courses, with opportunities to take lower level business courses in Accounting, Economics, and Human Resource Management. Credit-bearing internships available.

**Temple Exchanges**
Through reciprocal exchange agreements with the following universities, Temple students can exchange places with students from these universities for a semester or academic year. Some programs require sufficient proficiency in the host country language to participate; see our website for more details.

**Organized by STHM**
- Austria: Modul University
- China: Hong Kong Polytechnic University
- Germany: University of Bayreuth
- Netherlands: Amsterdam University of Applied Science
- Spain: University of Alicante
- UK: Leeds’ Beckett University

**External Programs / Direct Enroll:**
External programs that offer lower level business courses are widely available for STHM students who would like to fulfill their business requirements while abroad. Some external programs also offer tourism and hospitality coursework. Students with proficiency in languages other than English may have additional location options.

To search for programs, visit the websites of each program provider listed below and filter by your discipline on their program search page.

### I don’t plan to take any major courses while abroad. I plan to fulfill other academic requirements.

Visit Temple’s Education Abroad website for information about all of Temple’s programs abroad.

### I would like to fulfill GenEd requirements while abroad.

Students who successfully complete (with a C- or better) credit-bearing coursework worth at least three semester hours in a Temple summer or semester study abroad program with a minimum stay abroad of 28-days will satisfy the World Society (GG) requirement.

In addition, some summer faculty-led programs may offer GenEd courses, and Temple Rome and Temple Japan offer several GenEd courses each semester and in the summer.

Students who successfully complete (with a C- or better) credit-bearing coursework worth at least three semester hours in an approved external summer or semester study abroad program with a minimum stay abroad of 28-days will satisfy the World Society (GG) requirement.

Some appropriate external program courses may fulfill GenEd requirements. GenEd requirements which are most commonly found abroad include Arts, Human Behavior, and Race and Diversity. As part of Temple’s External Study Abroad Approval process, GenEds, like all external courses, must be evaluated and pre-approved. Per university policy, Intellectual Heritage courses cannot be transferred back to Temple and therefore cannot be taken abroad on external programs.
