STUDY ABROAD PASSPORT SCHOLARSHIP

To help students pursue personal and intellectual growth through international experiences, Temple offers a scholarship intended to support the cost of passport fees for Temple undergraduate students who would like to study abroad.

The program provides scholarships of up to $135.00, an amount intended to equal the application and processing cost for a United States Passport, to all first-year and transfer students who intend to study abroad and are applying for a passport for the first time.

To be eligible for the scholarship, you must apply for a passport between July 1, 2017 and June 30, 2018, and must demonstrate intent to study overseas for credit while enrolled as an undergraduate at Temple. In addition, your first semester as a matriculated student at Temple University must be either fall 2017 or spring 2018. Applications for passport renewals do not qualify. The scholarship may be used for tuition and fees.

To participate, you must complete the attached application. After receiving proof of payment for the passport application, Education Abroad will process the application and award the scholarship to your account.
