STUDY ABROAD PASSPORT SCHOLARSHIP APPLICATION

To help Temple students pursue personal and intellectual growth through international experiences, Temple offers a scholarship intended to support the cost of passport fees for Temple undergraduate students who intend to study abroad.

The program provides scholarships of up to $145.00, an amount intended to equal the application and processing cost for a United States Passport, to all first-year and transfer students (campus transfers do not qualify) who intend to study abroad and are applying for a passport for the first time. Applications for passport renewals do not qualify. After receiving proof of payment for the passport application, Education Abroad will process this scholarship application and award the scholarship to your TUPay account.
